FOREWORD

It is our pleasure once again to offer an interesting selection of numismatic material — coins that should appeal to every collector.

We would like to point out to new bidders, as well as to old, that an **auction sale** is not an **approval sale.** The items listed in this catalogue may be examined before bidding. There will be no returns accepted without our written permission.

The estimated prices serve only as a guide. In the past it has been a practice to bid quite a bit below estimates; because of the unprecedented demand for coins, these low bids hardly ever are successful. Competition is keen for good material. We suggest you bid with the purpose in mind of acquiring the coin.

We have one of the finest stocks of numismatic material in the country, including many rarities in copper, silver and gold.

Please send a want list with your bid sheet for our immediate attention.

Whether "BUYING" or "SELLING" it will be worth your while to contact us . . . .

Thanks,

ABNER KREISBERG

and

JERRY COHEN

ENCASED POSTAGE

1502 **An unlisted and to our knowledge unknown variety. The obverse does not have the usual U. S. Postage Stamp encased under mica. Instead it has a picture of a negro. On the reverse is the following legend:- Applications for Advertising/on this Currency/ Pat Aug. 12, 1862/to be/addressed to/Kirkpatrick & Gault/ No 1/ Park Place/N. Y. The frame appears to have a slight bend, though the mica is intact. It would be our thought this may have been the forerunner to the issue of encased postage and as such a great rarity. Valued at over (300.00)**

MAUNDY MONEY

These are small silver coins struck especially for the **Maundy** celebration. They are like current coins, of the same weight and size, and legal tender. The Maundy set consists of the four pence, three pence, two pence and pennies. Maundy sets are usually collected in pieces of uniform date. A limited amount of these sets are struck and given to the old people plus a certain number for officials taking part, and for certain official gifts.

The Maundy celebration takes place on Maundy Thursday, the day before Good Friday, each year at Westminster Abbey, though in recent years

occasionally elsewhere. The reigning Monarch distributes the Maundy money and other gifts to a certain number of old men and women, the number of each corresponding to the age of the Sovereign. Furthermore, the Maundy money consists of as many pence as the Monarch's age, hence when King George V was fifty, 50 men and 50 women each received 50 pence. A most interesting ceremony and a popular series to collect.

MEMORANDUM

The 1963 KREISBERG-SCHULMAN Waldorf Sale to be held January 16, 17, 18, will again offer to discriminating collectors from all parts of the free world an outstanding opportunity to bid on material that is very seldom offered at any sale unless it is the calibre of these auctions.

Because the collecting fraternity expects only the very best at a KREISBERG-SCHULMAN event they will not be disappointed - the consignments of choice U. S. material have been excellent and quality conscious buyers will be bidding on one of the most complete offerings of U. S. proof coins ever assembled. The silver dollar section is represented by rarities in proof such as the famous 1803 proof restrike; the Gobrechts, and numerous dates in the '50's thru to the 1921. Proof coins from the always popular 1856 Flying Eagle Cent, the excessively rare 1858 cent in proof and all the Indian cents in gem proof condition. The rare 1864 Small Motto 2c in proof; 1867 5c with rays, a gem proof; 1855 and 1856 proof quarters; a fabulous 1796 superb proof 50c. To sum it up, if you want the finest the opportunity will be soon at hand.

The U. S. gold section is always a highlight and will feature a complete set of U. S. gold dollars; choice $2.50 gold - 1796 no stars; 1808, and practically all the important dates in this series. The $3 series will be represented by each and every date except for the 1875, with the majority of the coins in the best possible condition. The fabulous Stella's in gold . . . 4 pieces of 1879 and 1880 will be individually offered . . . the $5's, $10's and $20's will attract considerable interest because many dates seldom offered will be represented.
